RETAINER & DEPOSIT PRODUCTION RULES

To officially allocate workshop production hours, lock in design scheduling, and begin physical raw procurement paths across local lumber yards and suppliers, a **50% Non-Refundable Material Retainer ($660.00)** is required upfront prior to any workshop cutting, framing, or finishing treatments.

The remaining final balance of **$660.00** shall be strictly due immediately upon physical delivery, technical structural alignment, and verified release/handover walkthrough on the event date.
